SCHEDULE FOR 2026

To maintain our position in the rapidly evolving market, we are dedicating 2026 to **wellness**, embracing it in its broadest sense, Barts Boekje style.

Balance is our guiding principle for the year, ensuring harmony in all aspects of life. We will focus on relaxation and self-care, active retreats, and extraordinary solo travel experiences. Indulging in the finest restaurants, exploring exciting new destinations, letting loose, and treating oneself to special gifts: self-care it is.

That said:

January is for budget and being back on track. For Drunk January and for booking your summer holiday.

February is the month of love. But also: focus on yourself, ridin' solo.

In **March**, we wake Barts Beauty from its winter slumber (Barts Beauty is a holiday in your makeup bag and in your mind), and this month is dedicated to our accommodation page. We will highlight our favorite spots.

April is the time to tackle our home (interior focus) and book that city trip.

In **May**, we will refresh the garden.

June is the time to explore our favorite places in the Netherlands and return with our beloved Barts Beauty Summer Bag.

July is for traveling abroad: we will promote all last-minute destinations (and of course, we'll include Dutch tips too!).

August equals vacation! We will shine an extra light on all the tips for the little ones as well.

And in **September** we go back to schoolwork/yourself.

In **October** we highlight Barts Bruiloft (Barts Boekje Wedding). Everything for the big day(s) and beyond: outfits, bachelor parties, wedding venues, caterers.

As always the month of **November** is for our annual Bartvent Calendar. Psss: You can already sign up!

In **December**, we'll finish the year with all the festivities that come with it, and the Barts Beauty Winter Box will return, the perfect Christmas gift.
